

GREATER BAY AREA ENVIRONMENTAL TECHNOLOGY EDUCATION TOUR (5 DAYS)

Plan No.: P20-059C

The Greater Bay Area Technology Study Tour allows students to experience the new economic outlook and new areas of technology brought about by the opening of the Hong Kong High Speed Rail and the Hong Kong-Zhuhai-Macao Bridge, as well as the inheritance and change of traditional historical culture.

Features:

1. Hong Kong High Speed Rail and the Hong Kong-Zhuhai-Macao Bridge (the longest cross-sea bridge in the world, known as the Century Project, one of the seven architectural wonders of the new century)
2. Understand the development of urban planning, energy and environmental technology education in Hong Kong
3. Understand the development of science and technology in the Greater Bay Area

Group fare: from \$ 2938 / person

Fare Included:

- Transportation: Mainland coaches; high-speed rail
- Tickets for listed attractions
- Tips for tour guides, tour guides and drivers
- Accommodation : 4 nights hotel
- AIG China Travel Insurance(5days)
- Travel Stamp Fund Protection

Notes for the group:

1. Quotation is required according to the group requirements, and the validity period is 60 days. If entrusted, a group agreement must be signed.
2. Payment method: 50% of the group fare is paid 45 days before departure; the balance is paid 15 days before departure.
3. Participants are required to prepare travel documents: Hong Kong Identity Card (Permanent Resident) and Home Return Permit, and passports under 11 years of age.
